MEMO ENDORSED

Re: United States v. Sydney Scales
19-CR-96 (LTS)

Dear Judge Swain:

I am former counsel to defendant Sydney Scales. On March 28, 2019, this Court appointed Clara Kalhous, Esq., as associate counsel in this case to work at my direction on matters including discovery review and brief drafting. On October 23, 2019, this Court relieved me as Mr. Scales' counsel due to irreconcilable differences and, shortly thereafter, appointed Justine Harris in my stead. I have confirmed that Ms. Harris prefers to work with her own associate counsel on the case. Accordingly, I respectfully ask the Court to relieve Ms. Kalhous as associate counsel for Mr. Scales effective this date.

I thank the Court for its consideration.

Respectfully submitted,

The request is granted.
